TES Energy Action - Overview

- *Part of CCF funded “Transition for All”*
- TEP and TES working together
- Volunteers carry out home visits

TES Energy Action

What do we want to achieve?

- Save 700 tCO₂e p.a.
- Help reduce fuel poverty
- Ongoing legacy for long term sustainability
- Re-skilling, re-localising ...

TES Energy Action

How will we achieve this?

- Training volunteers >300 home visits
- Engaging the community – various incl. ESSAC support mailing
- 100 solar panel installations
- 400 homes insulated – installer partnered

TES Energy Action

Solar Panels

- Cover energy saving and insulation before full solar assessment
- Say if solar not appropriate
- Preferred installer contracts
- Recommend 3 quotes
- Agreement between householder and installer, not with us!

TES Energy Action

Promotion and Progress to Date:

- Meeting people at events - no cold calling!
- Postcards
- Around 90 people on our mailing list who want a visit so far
- At least 10 visits with 7 referrals
- Icon Solar vs Icon Energy!

TES Energy Action

TES Energy Action

TES Energy Action is a local, impartial community led project helping residents in South Edinburgh reduce fuel bills and protect the environment. Our home visits help you access quality affordable solar panels and save energy, including up-to-date advice on financial support available. Help your community become fit for the future – be canny, cut your carbon emissions, and stay warm using free energy from the sun.

Yes, I'd like to arrange a:

- Home energy visit
- Insulation survey
- Visit for solar thermal (hot water)
- Visit for solar photovoltaic (electricity)
